

Varian and Varex® X-ray Tubes

Varex Imaging Corporation is a new company created by Varian Medical Systems for its imaging products. X-ray tubes labeled as manufactured by Varian Medical Systems are now labeled as manufactured by Varex Imaging Corporation.

Varian and Varex X-ray Tube model numbers remain the same, and the Hologic® part numbers are unchanged. The information in your Hologic product manuals about Varian X-ray Tubes applies identically to Varex X-ray Tubes.

You can place this document with your product manuals for reference.

Contact your local representative with any questions.
