

HOW DO I?

How to create a shopping list

The screenshot shows the Hologic iStore homepage. The header includes the Hologic logo and 'The Women's Health Company' tagline. A search bar is located in the top right, with 'All Products' selected in the dropdown and '2S-36%' entered in the search field. Below the search bar, there is a 'Browse' section with a list of categories: ATEC, Celero, MammoPads, Kits & Drapes, Mammosite, and Tru Core. To the right of the browse section is the 'Your Shopping Cart' section, which displays 'Time Zone (GMT-05:00/-04:00)Eastern Time' and a table with columns for Part Number, Item Name, UOM, Quantity, Price, and Remove. The table contains the text 'There are no items in your cart.' and two 'Continue Shopping' buttons are visible.

- Search for the item number in header Search field
 - You may use the '%' symbol as a wildcard
 - For example: 2S-36%

The screenshot shows the search results page. The search bar at the top contains 'All Products' selected in the dropdown and '{2S-36%}' in the search field. Below the search bar, the 'Results' section displays a table with the following items:
