

Hologic **SURECARE**[®] Service Coverage

The Science of Sure meets Confidence of Care

Best-in-class

Worry-Free

Flexible

Trusted

Our **SureCare service offering** includes plans to meet your **business and clinical priorities**, helping you deliver the **best possible patient experience**—with **peace of mind**.

SURECARE[®]

SureCare Service Coverage Plans – Hologic offers a range of coverage plans designed to help meet your business goals and keep you focused on what matters most – your patients. Asset-specific coverage can give you total confidence in your day-to-day operations on all of your new and existing* capital Hologic equipment.

Designed for customers who demand the utmost in efficiency and responsiveness to drive maximum OR/ASC productivity with complete peace of mind. The **SureCare** plan provides maximum customizable coverage to minimize disruptions and get the most from your Hologic Surgical systems. **SureCare** offers our our most robust coverage, longest optionable terms, and access to valuable programs and services, including:

- DirectCare Phone Support Access
- Access to Hologic Advanced Exchange (ADX) Hysteroscope Program
- 30% discount on Hologic Advanced Exchanges
- Preventative Maintenance for Fluent
- Guaranteed Premium Overnight expedited shipping
- Payment options from monthly, annual and point-of-sale
- 12-60 month coverage plans available

For more information or a quote, reach out to your Hologic Surgical Representative today

*Existing non-attached capital items are able to obtain SureCare coverage via preventative maintenance use, or advanced-exchange purchase
